

# Jack Harlow, Movie Star (feat. Pharrell Williams)

And I know you just hate to see it  
Can't imagine being you, ooh, I'd hate to be it  
I'm done fakin' humble, actin' like I ain't conceited  
'Cause, bitch, I am conceited  
You know you can't defeat it  
Your girl's a fan of me, in fact, I'm what her fantasy is  
Duckin' out the party, we can't let the cameras see us  
I'm with a movie star, ooh, young Cameron Diaz  
I'm with a movie star, ooh, young Angelina

And I know they say all type of things about this type of life (Huh)  
Boy, ask yourself, are they right? (Right)  
'Cause we can do this every night (Uh-huh)  
Fuck all the drama, tryna meet your mama  
We don't need condoms, let's make a genre  
Hot like a sauna, upgrade your Honda  
Bae, quit that sobbin', I'll fix all your problems

What's wrong?  
You never fucked with someone who writes songs?  
I won't use your name if you feel like it don't belong  
But I'm just so inspired by the way you wear that thong  
You know I like to dictate things, Kim Jong  
I know that drink strong  
You know we keep that bourbon out the barrel, Diddy Kong  
Come here, give it to me while I play this Giveon  
I keep givin' y'all classics  
Tremendous, fantastic (Fantastic)  
My spendin' is drastic  
She blend in the background and bend that shit backwards  
Moncler just in case I end up in Aspen  
Told the concierge, "Go ahead, send up the package"  
That's the end of it, that's it

And I know they say all type of things about this type of life (Huh)  
Boy, ask yourself, are they right? (Right)  
'Cause we can do this every night (Uh-huh)  
Fuck all the drama, tryna meet your mama  
We don't need condoms, let's make a genre  
Hot like a sauna, upgrade your Honda  
Bae, quit that sobbin', I'll fix all your problems

Mmm, but do it jiggle though?  
I mean, I get the concept that it's bigger though  
I feel like the whole damn city know  
You got it done just in time for the video, right?  
You got some pretty toes (Yeah)  
And I'm pretty close to the top pretty soon  
Somethin' not just anybody privy too  
Somethin' not just anybody privy too  
I do not fuck with that stiff shit  
Squad lift shit  
I need that peanut butter, yeah, that Jif shit  
You and me should do a tape, DatPiff shit  
Now get this  
I do not fuck with that stiff shit  
Squad lift shit  
I need that peanut butter, yeah, that Jif shit  
You and me should do a tape, DatPiff shit  
Now get this  
J-jiggle though
