

Jack Ingram, All I Can Do

I always believed and followed
Trusted in things, relied on faith
Faith let me down in hollow
Now I have found another way

CHORUS

All I can do is what you want me to do
But I don't
All I can say is what you want me to say
But I won't
All I can prove to you is I got nothing left to prove to you
Truth is that anything for you is all I can do

Everything is an empty promise
All that you say lies to me
Silver and gold, shiny polish
It ain't worth anything if it ain't what you need

CHORUS

All I can do is what you want me to do
But I don't
All I can say is what you want me to say
But I won't
All I can prove to you is I got nothing left to prove to you
But at the end of every day, blinded by the truth
Anything for you is all I can do

It's all I can do
It's all I can do
It's all I can do

All I can prove to you is I got nothing left to prove to you
But at the end of every day, blinded by the truth
Anything for you is all I can do

It's all I can do
It's all I can do
It's all I can do
