

Jack Ingram, Love You

Dang the sun; dang this day
An' I'm just tryin' to stay outta your danged ol' way
To heck with this; to heck with us
An' shoot if I'll ever look back on where I've been
Shoot if I'll ever give away my heart again

Love you, love this town;
Love this mother-lovin' truck that keeps breakin' lovin' down
There's only one four-letter word that'll do:
Love you

Love your cat; love this house
Well, I can't believe myself that I'm lovin' gettin' out
Love talkin'; love fightin';
Thought of never seein' your lovin' face
There's some words that some words just have to replace

Love you; love this town;
Yeah, I'm sick an' lovin' tired of all your lovin' around
There's only one four-letter word that'll do:
Love you

Love you; love this town;
Yeah, I'm sick an' lovin' tired of all your lovin' around
There's only one four-letter word that'll do:
Love you

Love you; love this town;
Love this mother-lovin' truck that keeps breakin' lovin' down
There's only one four-letter word that'll do:
Love you
Love you
Love you
Love you, honey
