

Jack Johnson, Even After All

Even after all,
The murdering,
Even after all,
Your suffering,

You know I love you so,
You know I love you so and so,
Even after all..

All that you go on,
Sir, is the order of the day,
And all that you believe,
Sir, is the order in this society,

You know I love you so,
You know I love you so and so,
Even after all..

This is my money y'all,
Mine just feels satisfied,
No competition,
No competition at all,
I just feel set a star,

Them eyes a gorgeous girl,
No demise I cries,
I got to raise the game,
Them eyes are gorgeous,
I must advance,

I dont check for no superficial,
It got to be beneficial,
These sonic fruits,
These sonic fruits,
These sonic fruits got us movin around,
All right,
Hyper play,
Steppin on rights,

Even after all,
The murderin that go on,
Even after all.. Oh no,
Your suffering so..

You know I love you so,
You know I love you so and so,
Even after all..

You just survived,
Souljahh,
And your soul is beautiful,
And your so-o-oul is good
