

# Jack Johnson, If I Could

A brand new baby was born yesterday  
Just in time  
Papa cried, baby cried  
Said, your tears are like mine  
I heard some words  
From a friend on the phone  
Didn't sound so good  
The doctor gave him two weeks to live  
I'd give him more if I could

You know that I would now  
If only I could  
You know that I would now  
If only I could

Down the middle drops one more  
Grain of sand  
They say that  
New life makes losing life easier to understand  
Words are kind  
They help ease the mind  
I miss my old friend  
And though you gotta go  
We'll keep a piece of your soul  
One goes out  
One comes in

You know that I would now  
If only I could  
You know that I would now  
If only I could
