

# Jack Johnson, If I Had Eyes

If I had eyes in the back of my head  
I would have told you that you looked good as I walked away

And if you could've tried to trust the hand that fed  
You would've never been hungry, but you'd never really be

The more of this or less of this or is there any difference  
or are we just holding onto the things we don't have anymore

Sometimes time doesn't heal  
No not at all  
It just stands still  
While we fall  
In or out of love again I doubt I'm gonna win you back  
When you've got eyes like that  
They won't let me in

Always looking out

A lot of people spend their time just floating  
We were victims together but lonely  
You've got hungry eyes that just can't look forward  
Can't give them enough but we just can't start over  
Building with bent nails we're  
falling but holding  
I don't wanna take up any more of your time

Time time time

Sometimes time doesn't heal  
No not at all  
It just stands still  
While we fall  
In or out of love again I doubt I'm gonna win you back  
When you've got eyes like that  
They won't let me in

Always looking out  
Always lookin'
