

# Jack Johnson, Lullaby - Matt Costa,

When you're so lonely lying in bed  
Night's closed it's eyes but you can't rest your head  
Everyone's sleeping all through the house  
You wish you could dream but forgot to somehow  
Sing this lullaby to yourself  
Sing this lullaby to yourself  
And if you are waiting, waiting for me  
Know I'll be home soon darling I guarantee  
I'll be home Sunday just in one week  
Dry up your tears if you start to weep  
And sing this lullaby to yourself  
Sing this lullaby to yourself  
Lullaby, I'm not nearby  
Sing this lullaby to yourself

Don't you cry, no don't you cry  
Sing this lullaby to yourself  
Cause when I arrive dear it won't be that long  
No it won't seem like anytime that I've been gone  
It ain't the first time it won't be the last  
Won't you remember these words to help the time pass?  
So when you're so lonely lying in bed  
Night's closed it's eyes but you can't rest your head  
Everyone's sleeping all through the house  
You wish you could dream but forgot to somehow  
Sing this lullaby to yourself  
Sing this lullaby to yourself  
Sing this lullaby, sing this lullaby  
Sing this lullaby to yourself
