

Jack Johnson, Mediocre Bad Guys

Well don't give me no comic book sad looks no more
Please don't use those same excuses you've used before
You told yourself so many times it's ok
So eager to try but you just don't know how to come back down

and now you'll beat me up and break me down
hoping i dont come around
kick me when i'm on the ground
beat me up and break me down
hoping i dont come around
kick me when i'm on the ground

well how about those people
i know that you know the ones that i mean
not so good, not so bad, only know what they have
and they have only what they've seen
them mediocre bad guys can really bring you down
they can't be defeated
you know that their never gonna come around

they just beat me up and break me down
hoping i dont come around
kick me when i'm on the ground
beat me up and break me down
hoping i dont come around
kick me when i'm on the ground...
