

Jack Johnson, Sexi Plexi

Sexy sexy made up of plexi disaster
Pushing and pulling conservative rolling
Unlike plastic, easier to see through
Just like glass with no ring
Softer and sadder you sing
Sexy sexy do your thing
Learn to be shy and then you can sting
Plexi, plexi bend don't shatter
Once you're broken shame won't matter
You're breaking your mind
By killing the time it gives you
Cause you can't blame the time
Cause it's only in your mind
Quickly, quickly grow and then you'll know
It's such an awkward show to see
And everyone you wanted to know
And everyone you wanted to meet
Have all gone away
All they've all gone away
And then you're
Breaking your mind
By killing the time it gives you
Cause you can't blame the time
Cause it's only in your mind
You're breaking your mind
