

# Jack Johnson, Underwater Love

This must be underwater love  
The way I feel it slipping all over me  
This must be underwater love  
The way I feel it

O que que esse amor d'gua?  
Deve sentir muito parecido a esse amor  
O que que esse amor d'gua?  
Deve sentir muito parecido a esse amor

Esse amor com paixó, ai  
Esse amor com paixó, ai que coisa

After the rain comes sun  
After the sun comes rain again  
After the rain comes sun  
After the sun comes rain again  
After the rain comes sun  
After the sun comes rain again

This must be underwater love  
The way I feel it slipping all over me  
This must be underwater love  
The way I feel it

O que que esse amor d'gua?  
Eu sei que eu no quero mais nada

Follow me now to a place  
You only dreamed of before I came along

When I first saw you  
I was deep in clean blue water  
The sun was shining  
Calling me to come and see you  
I touched your soft skin  
And you jumped in  
With your eyes closed  
And a smile upon your face

Voc vem, voc vai  
Voc vem e cai  
E vem aqui pra c  
Porque eu quero te beijar na sua boca  
Que coisa louca  
Vem aqui pra c  
Porque eu quero te beijar na sua boca  
Ai que boca gostosa

After the rain comes sun  
After the sun comes rain again  
After the rain comes sun  
And after the sun comes rain again

Cai cai e tudo tudo cai  
Tudo cai pra l e pra c  
Pra l e pra c  
E vamos nadar  
Y vamos nadar e tudo tudo d

This must be underwater love  
The way I feel it slipping all over me  
This must be underwater love  
The way I feel it
