

Jack Morgan, Reggae Man

Hello everybody, listen to my song
about a young man who was always doing wrong
and never seemed to do or say quite the right thing
but when they play my record gonna hear him song

Reggae Man, whatcha doin'
Reggae Man, hear me now
Reggae Man, whatcha doin'
Reggae Man, do it!

Walk 'round town with a very sad face
all undone all up in the place
I'm walkin' down the road with a Skanking style
walkin' and a-walkin' in the Boom Town style
hear me ragamuffin in the Rub-A-Dub style
skanking and and a-skanking in the Boom City style
I'm walking 'round the place with a smile on my face
'cause they'll play my record or gonna mash up that place

Reggae Man, whatcha doin'
Reggae Man, hear the Reggae Man
Reggae Man, whatcha doin'
Reggae Man
