

# Jack Off Jill, Chocolate Chicken

Chicken and chocolate dancing  
Milkman got the blues  
They suck him off on dairy cock  
And who the hell are you

The chicken knows, yeah  
Just how it goes, yeah  
It's what he bought and sold  
The chicken blows, yeah  
Let's stab ourselves, yeah

Chicken and chocolate praying  
Storm trooper got the blues  
They suck him off on plastic cock  
And who the hell are you

The chicken knows, yeah  
Just how it goes, yeah  
It's what he bought and sold  
The chicken blows, yeah  
Just what he knows, yeah

(  
He said the devil's narcotic  
Wishing he was, but he wasn't  
And it is... stupid, stupid, stupid...)

The chicken knows, yeah  
Just what he sold, yeah  
It's what you bought and sold  
The chicken knows, yeah  
Just how it goes, yeah
