

# Jack Off Jill, Horrible

I can't exist anymore  
till I destroy you  
I hate everyone  
Don't know what to do  
Ingesting flesh and bone  
makes me a cannibal  
Or am I criminal?  
I feel so horrible

Horrible  
and everything's horrible  
Horrible

Sucking on colorforms  
Becoming see through  
Still hating everyone  
as I detest you  
I do not feel wrong  
this makes me durable  
or am I criminal  
I'm so damn horrible

Horrible  
and everything is horrible  
Horrible

Fade into yesterday  
Searching for my youth  
Trying to digest it all  
Searching for the truth  
Self centered devil spawn  
This makes me durable  
Or am I criminal  
I'm fucking horrible

Horrible  
Now everything's horrible  
Horrible

Horrible  
Now everything's horrible  
Horrible  
Horrible
