

# Jack Off Jill, Hypocrite

A hypocrite is one who deals in deceit, lies and false pretenses  
Insincerity is the name of the game  
Doing one thing and telling others not to do it is reality for a hypocrite

Well, they tell you, they say 'Jesus saves'  
Or they tell you, they say 'Praise the Lord'  
But they tell you, black bible on their back  
They're going straight to hell, sinners!

Hypocrite

Well, she loves you, and she says that she loves you  
You're faithful, she says "Yeah, I'm faithful, too"  
And well she loves you the way she says that she loves you  
While she's fucking behind your back!

Well, your best friend, yeah we all have a best friend  
Your best friend says he's no good for you  
Well your best friend, but before you can thank her  
His dick is in her mouth!
