

# Jack Off Jill, Ugly 16

Only you  
Can make me feel this way  
Lonely when happiness agree  
He wanted to know me  
The happy amputee  
He's right  
I'm wrong  
and no one else agrees  
We wanted to know you  
The happy amputee  
Lonely  
Lonely  
Lonely, lonely  
Only you  
Only you can make me feel this  
Only you can make me feel this  
Only you can make me feel this way  
What I'm trying to say  
Lonely when happiness agree  
You wanted, you got me  
The happy amputee  
We're right  
You're wrong  
Lonely, lonely, lonely  
Only  
Lone...  
Only you  
Only
