

Jack Penate, Got My Favourite

I've got my favourite pair of creps on
The ones with golden samaris sewn on
Each step is skipped when they are thrown on
Feet are swift so I bowl on
I got my favourite army dog tag
The one I got one day with my Dad
We watched the planes loop and the clouds sag
The sky was filled with smoke drag
Of course i know that these are all for show
To decorate my limbs and let me know
That through these things a constant love will flow
With them we are not on our own
I've got my favourite Westwood coat on
The one from Alice who I dote on
I am a pirate and I float on
Yo ho ho and a bottle of rum
Of course i know that these are all for show
To decorate my limbs and let me know
That through these things a constant love will flow
With them were are not on our own
Got my favourite
Got my favourite
Got my favourite
Got my favourite
Got my favourite
I got my favourite gold signet ring
The one that gives me power to sing
From my mum who I owe all things
Love forevers written within
Of course we know that these are all for show
To decorate my limbs and let us know
That through these things a constant love will flow
With them we are not on our own
Got my favourite
Got my favourite
Got my favourite
Got my favourite
