

Jack Russell, Any Kind Of Love

i'm no good without you what you need to know you're not good without me too
ain't no crime this passion all i want to do is to be with you
and deep inside i'm just an ordinary man
but i'm doing doing the best i can
so baby don't you wait no more any time at all i'm yours any kind of love you need i got
so baby don't you wait no more any time at all i'm yours any kind of love you need i got
well i get sentimental when i think of you do you feel it too?
no ain't no mixed emotions all i want to do is to be with you
and in your eyes i'm just an ordinary man
can't you see it my heart is in your hand
so baby don't you wait no more any time at all i'm yours any kind of love you need i got
so baby don't you wait no more any time at all i'm yours any kind of love you need i got
so baby don't you wait no more any time at all i'm yours any kind of love you need i got
so baby don't you wait no more any time at all i'm yours any kind of love you need i got
so baby don't you wait no more any time at all
so baby don't you wait no more any kind of love any kind of love you need i got
any time at all
any kind of love
any kind of love
