

Jack Russell, For You

for you i'm waiting the perfect love
for you i'm waiting you're all the things i'm dreaming of
for you i'm waiting to show you all the virtues of love
for you i'm waiting to see our hearts together as one
in every moment in every way our love will go on
in every moment of every day it's love we believe in our love will be leading us on
if you are waiting for perfect love
anticipating the peace and joy a lifetime of
for you i'm waiting with open arms eternal love everlasting love
there's no mistaking our souls embrace together as one
in every moment in every way our love will go on
in every moment of every day it's love we believe in our love will be leading us on
in every moment in every way our love will go on
in every moment of every day it's love we believe in our love will be leading us on
in every moment in every way our love will go on
in every moment in every way our love will go on
in every moment in every way our love will go on
in every moment in every way our love will go on
