

# Jack Russell, You'll Lose A Good Thing

if you should lose me oh yeah you'll lose a good thing  
if you should lose me oh yeah you'll lose a good thing  
you know i love you do anything for you  
just don't mistreat me baby and i'll be good to you  
'cause if you should lose me oh yeah you'll lose a good thing  
i'm giving you one more chance for you to do right  
if you'll just straighten up baby we could have a good life  
but if you should lose me oh yeah you'll lose a good thing  
so darling if you go and leave me all alone  
don't come begging me for one more chance  
'cause baby if you do i'm going to tell you true  
i'm crying my heart out for the last time  
this is my last time not asking any more  
if you don't get it together i'm going to march out of that door  
and if you don't believe me just try it mama and you'll lose a good thing  
just try it mama and you'll lose a good thing  
just try it baby and you'll lose a good thing  
just try it baby and you'll lose a good lose a good lose a good thing  
oh my baby you'll lose a good thing baby
