

Jack's Broken Heart, Home Is Where The Heart Is

today was supposed to be the end of this life
surprised you're still alive can this be some kind of sign?
cannot start to suck me in
cannot be the eternal fool

memories of a lifetime swearing i'd do it next time
will tomorrow hold something new?
can tomorrow hold something true?

recently, aimless days
lost my hope along the way
try and gain what I never known
this feeling of her face goes on.

memories of a lifetime
swearing i'd do it next time
will tomorrow hold something new?
tomorrow has to hold something true.
