

# Jack's Mannequin, Dark blue

I have. I have you  
Breathing down my neck, breathing down my neck  
I don't, don't know  
What you could possibly expect under this condition  
So I'll wait, I'll wait  
For the ambulance to come, ambulance to come  
Pick us up off the floor  
What did you possibly expect under this condition  
So slow down... this night's a  
Perfect shade of dark blue, dark blue  
Have you ever been alone  
In a crowded room when I'm here with you  
I said the world could be burning down  
Dark blue (dark blue)  
Have you ever been alone in a crowded room well I'm here with you  
I said the world could be burning 'til there's nothing but dark blue..  
Just dark blue  
This flood (this flood) is slowly rising up swallowing the ground  
Beneath my feet, Tell me how anybody thinks under this condition so  
I'll swim (I'll swim) as the water rises up, the sun is sinking down  
And now all I can see are the planets in a row  
Suggesting it's best that I slow down  
This night's a perfect shade of  
Dark blue (dark blue)  
Have you ever been alone in a crowded room when I'm here with you  
I said the world could be burning (burning) down  
Dark blue (dark blue)  
Have you ever been alone in a crowded room well I'm here with you  
I said the world could be burning dark blue  
We were boxing  
We were boxing the stars  
We were boxing (we were boxing)  
You were swinging for Mars  
And then the water reached the West Coast  
And took the power lines (the power lines)  
And it was me and you (this could last forever)  
And the whole town under water  
There was nothing we could do  
It was dark blue  
Dark blue (dark blue)  
Have you ever been alone in a crowded room well I'm here with you  
I said the world could be burning (burning) down  
Dark blue  
Have you ever been alone in a crowded room well I'm here with you  
I said the room could be burning now there's nothing but dark blue  
If you've ever been alone in the dark blue  
If you've ever been alone you'll know (you'll know)
