

Jack Savoretti, No One's Aware

There's a boat sailing out there
To an island no one's aware of
We can go together and take to the sea
Sail with me
Sail with me.
Every road lead us to somewhere
And every turn bring us closer to home.
Being alone doesn't mean that you're free
So come with me.
Come with me.
Come with me.
Come with me.
CHORUS:
Every face is there to be looked at
Every word is there to be heard.
Don't believe in all that you see.
Just believe, believe in me.
Believe in me.
Sing with me
Sing with me.
(Sing with me.)
There's a note waiting out there
For a song no one's aware of
No one's aware of
No one's aware.
