

Jack Wagner, Nothing's Gonna Change My Love

If I had to live my life without you near me
The days would all be empty
The nights would seem so long
With you I see forever.. oh so clearly
I might have been in love before
But it never felt this strong
Our dreams are young and we both know
They'll take us where we want to go
Hold me now
Touch me now
I don't want to live without you

Nothings gonna change my love for you
You ought to know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love
Nothings gonna change my love for you
You ought to know by now how much I love you
The world may change my whole life through but
Nothings gonna change my love for you

If the road ahead is not so easy
Our love will lead the way for us
Like a guiding star
I'll be there for you
If you should need me
You don't have to change a thing
I love you just the way you are
So come with me and share the view
I'll help you see forever too
Hold me now
Touch me now
I don't want to live without you

Nothings gonna change my love for you
You ought to know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love
Nothings gonna change my love for you
You ought to know by now how much I love you
he world may change my whole life through but
Nothings gonna change my love for you

Nothings gonna change my love for you
You ought to know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love
