Jack White And Alicia Keys, Another Way To Die

I know the player with the slick trigger finger for Her Majesty Another one with the golden tone voice and then your fantasy Another bill from a killer turned a thrill into a tragedy

A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Someone that you think
that you can trust is just
Another way to die

Another tricky little gun giving solace to the one that will never see the sunshine Another inch of your life sacrificed for your brother in the nick of time Another dirty money, heaven sent honey turning on a dime

A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Someone that you think
that you can
trust is just
Another way to die

Wo-oh-oh-oh-oh-oh! Oh-oh-oh-oh-oh-oh! Oh-oh-oh-oh-oh-oh!

Another girl with her finger on the world singing? Another gun thrown down and surrendered took away your fear Hey! Another man that stands right behind you looking in the mirror

Oh, a door left open

A woman walking by A drop in the water A look in the eye A phone on the table A man on your side Oh, someone that you think that you can trust is just another way to die
