

# Jackie Boyz, Untitled

[Verse 1:]

I can't sleep tonight  
You're body's on my mind  
Thinkin what we used to do  
Girl it's got me stuck on you  
But I can't clear my head  
How I miss your lips  
And the way you kissed my lips  
I'm feelin for you  
Girl what can I do

[Hook:]

Cause my heart beats pumpin and I can't relax  
You got your boy gone and I can't get back  
I need your lovin why you do me like that  
You're the one I need in my life  
(Oooh baby)

[Chorus:]

I'm sleepin with the ghost here of you and me  
I'm seein that it's not how it used to be  
Us kissin huggin lovin touchin  
How I miss when we used to  
Woo ooh ooooh ooooh  
I'm sleepin with the ghost here of you and me  
I'm seein that it's not how it used to be  
Us kissin huggin lovin touchin  
How I miss when we used to  
Woo ooh ooooh ooooh  
(On the bed we would)  
Woo ooh ooooh ooooh  
(On the floor we was)  
Woo ooh ooooh ooooh  
(In the kitchen we were)  
Woo ooh ooooh ooooh  
On the couch you was sayin MORE BABY!

[Verse 2:]

Let me take you by the hand  
Girl I'm sittin here home all alone wishin you were here  
And instead I sit in my room wantin to be with you  
And I know you do too baby  
But since you're not  
See my world's been crumbling  
I get no rest  
And I only accept the fact I'm hopeless  
To this pain that I'm goin through  
(Ooooooh)

[Hook:]

Cause my heart beats pumpin and I can't relax  
You got your boy gone and I can't get back  
I need your lovin why you do me like that  
You're the one I need in my life  
(Oooh)

[Chorus:]

I'm sleepin with the ghost here of you and me  
I'm seein that it's not how it used to be  
Us kissin huggin lovin touchin  
How I miss when we used to  
Woo ooh ooooh ooooh  
I'm sleepin with the ghost here of you and me  
I'm seein that it's not how it used to be  
Us kissin huggin lovin touchin  
How I miss when we used to  
Woo ooh ooooh ooooh  
(And the sound when we)  
Woo ooh ooooh ooooh

(In the bedroom when we)  
Woo ooh ooh ooooh  
(In the kitchen we were)  
Woo ooh ooh ooooh  
On the couch you was sayin MORE BABY!
