

Jackie Greene, Farewell, So Long, Goodbye

I stand inside your doorway honey I dont feel a thing
youre always looking for the best that I cant never bring
so now Im gone...
and dont you ask me why
its been so long since Ive seen you cry
farwell so long goodbye

I jumped out of your window but i fell right to the ground
I wished you would have told me that your man was still around
so now Im gone...
and dont you ask me why
you did me wrong lie after lie
farwell, so long, goodbye

Everybodys talking about the way things ought to be
but there aint anybody that makes any sense to me
so now Im gone...
and dont you ask me why
I dont belong but I dont even try
farewell so long goodbye
