

Jackie Lomax, Baby You're A Lover

The sun and the moon - they must separate
People do too - some love, some hate
But you're one of the loving kind, baby
You're one of the loving kind
Baby you're a lover
Baby you're a lover

Someone I know denies that he knows me
Eager to go, he's watching me closely
But you're one of the loving kind, baby now,
You're one of the loving kind
Baby you're a lover
Baby you're a lover
I think I feel a little sympathy
For those friends who are close to me
Who don't know what it is to be
In love with a woman like you

People decline the truth for illusion
Forever they lie in beds of confusion
You're one of the loving kind, baby now,
You're one of the loving kind
Baby you're a lover
Baby you're a lover
