

# Jackie Lomax, Blues In The Blood

Well, I try to do the right thing and it turns out wrong  
I like to sing, I forget the song  
Well, I don't know if that's bad or if it's good  
I'm kinda stuck with it, I got the blues in the blood

Well, I love these ladies and I have to leave  
When I go to Hades there'll be no-one left to grieve  
I don't know if that's bad or if it's good  
I'm kinda stuck with it, I got the blues in the blood

Well, I try to do the right thing and it turns out wrong  
I love to sing, I forget the song  
Well, I don't know if that's bad or if it's good  
I'm kinda stuck with it, I got the blues in the blood

I don't know if that's wrong if it's right  
I'm kinda stuck with it, I got the blues both day and night  
Well, I don't know if that's bad or if it's good  
I'm kinda stuck with it, I got the blues in the blood
