

Jackie Lomax, I Just Don't Know

I don't know if I could
I don't know if I should
I don't know if I will
I don't know if I still love you
With the same kind of feeling now
But I don't know if I could still believe you now

So, I just don't know
No, I just don't know

I don't know if I am
I don't know if I'm not
I don't know if I can
I don't know if I've got the time
To see if I could be a fool again
To chase a dream and wake up way too soon again

So, I just don't know
No, I just don't know

If I have to decide
I don't want to be wrong
Once I stood by your side
But you done me wrong
You done me wrong

So I'm going to sit down here
And try to work it out
Though my thinking ain't too clear
Of one thing there's no doubt
I couldn't stand the pain of losing you again
But I don't want to miss the chance of loving you again

So, I just don't know
No, I just don't know

I don't know
I just don't know
