

# Jackie Lomax, More (Livin' For Lovin')

More - more - I want more  
I'm livin' just for lovin'  
More - more  
It's all that I want  
It's all that I need  
It's all that I want  
It's all that I need

Give me more - more - I want more  
I'm livin' just for lovin'  
More - more  
It's all that I want

I'm livin' just for lovin' now  
Lips to kiss, a heart to miss a beat  
I'm livin' just for lovin' now  
It's all that I want  
It's all that I need

Give me more - more - I want more  
I'm livin' just for lovin'  
More - more  
It's all that I want  
It's all that I need

I'm livin' just for lovin' now  
Lips to kiss, a heart to miss a beat  
I'm livin' just for lovin' now  
It's all that I want  
It's all that I need

More - more - I want more  
I'm livin' just for lovin'  
More - more  
It's all that I want  
It's all that I need
