

Jackie Lomax, Sweeter Than Honey

I've met lots of girls now that've swept me off my feet
And they're the kind of girls that I like to meet
But there's one girl that I've never known
And that's the kind of girl I want for mine alone

She'll be sweeter than honey
I'm gonna give her all my money
Sweet and lovely
That's the kind of girl that I want

Now I dig the girls that I've been with
But I don't like the kind of love they give
Cause I know to them I'm just another guy
But the girl I love's gonna look me in the eye

She'll be sweeter than honey
I'm gonna give her all my money
Sweet and lovely
That's the kind of girl that I want

Some day, some girl is gonna come down the street
She's gonna take me away in one big sweep
But I'm gonna keep on runnin' around
Cause the girl I love I just never have found

She'll be sweeter than honey
I'm gonna give her all my money
Sweet and lovely
That's the kind of girl that I want
