## Jackson 5, Hallelujah Day

Hallelujah day Sing hallelujah Love is on its way It's coming to ya

Children gather 'round now Clap your hands and sing That old sun is shining down Soon the bells are gonna ring Yes they will now Can't you see that ray of hope Somebody finally saw the light They're gonna send our brothers home It's gonna be alright, yeah

Hallelujah day Sing hallelujah Love is on its way It's coming to ya Hallelujah day Sing hallelujah Love is on its way It's coming to ya

People come together Let the good times roll We can make this last forever If you feel it in your soul Somebody found that key Somebody opened up the door Now there'll be dancing in the street This is the day we've been waiting for, yeah

Hallelujah day Sing it, yeah Sing hallelujah Hallelujah day Sing hallelujah

Oh yeah Everybody get together Put your hands like this And sing along with the Jackson Five, yeah Singing hallelujah Singing, singing, singing, yeah Hallelujah, yeah
