## Jackson 5, Nothin' (That Compares 2 U)

I'll give my all and all To you and no other woman Never will I let you down Never will I do wrong

And I'll give my heart and soul And hope that you will never let me go Never had a woman so fine

And if I give my love completely (Will u love me in return) And if it's in your heart then show me Then you'll never have to worry Cause I'll always be around

(Chorus: (2x)) Nothin' And I do mean nothin' Nothin' that compares 2 u You're so fine that I'm scared of you

I'll give my everything To you and have no other Ever since I fell in love Never have I been down

You've been the only one Promise my one and only lover Never has my love been so sound And if you give your heart completely

I will never let you go And I will love you girl so sweetly You will never have to worry Cause I'll always be around

(Chorus 4x)

And if I give my love completely Will you love me in return And if it's in your heart then show me You will never have to worry Cause I'll always be around

(Chorus 4x)

(Repeat and fade out)
