Jackson 5, Reach In

Can't find no rhyme to it all But still we keep on trying The why and where of it all Inside you the answer is lying

Reach in (reach in)
Find that tree of wisdom
Reach in (reach in)
Find out why you're livin'

Reach in (reach in)
Put away that shade (?) of sin
And let love shine in
And let love shine in
Shine, shine, shine, shine.

Don't take the easy way out Believe there is a Maker Don't be a body of doubt In whom does live a faker

Reach in (reach in)
Find that tree of wisdom
Reach in (reach in)
Find out why you're livin'

Reach in (reach in)
Put away that shade of sin
And let love shine in
And let love shine in

A soul without love Is a soul without meaning And the Lord up above He'll destroy every being

Reach in....

Reach in (reach in)
Find that tree of wisdom
Reach in (reach in)
Find out why you're livin'

(Etc., etc., - they vamp till the end)
