

# Jackson 5, Shake Your Body (Down To The Ground)

I don't know what's going to happen to you baby  
But I do know that I love you  
You walk around this town with your head all up in the sky  
And I do know that I want you  
Let's dance, let's shout  
Shake your body down to the ground  
Shake your body down to the ground  
repeat x 4  
You tease me with your loving to play hard to get  
Cause you do know that I want you  
You walk around this town with your head all up in the sky  
And I do know that I want you  
Let's dance, let's shout  
Shake your body down to the ground  
Shake your body down to the ground  
repeat x 4  
You are the spark that lit the fire inside of me  
And you know that I love it  
I need to do just something to get closer to your soul  
And you do know that I want you  
Let's dance, let's shout  
Let's dance, let's shout  
repeat chorus til fade
