Jackson Browne, Hold On Hold Out

Hold on hold out, keep a hold on strong The money's in and the bets are down You won't hold out long They say you'll fall in no time at all But you know they're wrong They've known it all along

Yea- Hold on hold out, keep a hold on still If you don't see what your love is worth No one ever will You've done your time on the bottom line And it ain't no thrill There's got to be something more Keep a hold on still You know what it is you're waiting for Now you just hold on Hold on hold out, hold on

Give up your heart and you lose your way Trusting another to feel that way Give up your heart and you find yourself Living for something in somebody else Sometimes you wonder what happens to love Sometimes the touch of a friend is enough

Hold a place for the human race
Keep it open wide
Give it time to fall or climb
But let the time decide
Sometimes you wonder what's in this for you
But you wait, and you see
'Cause it's all you can do
Just to hold on
Hold on hold out, hold on

For the countless souls beaten by their goals Keep a hold on now And the ones betrayed by the deals they made Keep a hold on If you hold your ground it'll turn around Keep a hold somehow

Hold on hold out, keep a hold on tight Tonight's the night Wake up and turn on the light You fight, and you're right-- It's gonna take all your might...

You're a hold out
Well I'm a hold out too
But it took me all this time to figure out
Something you already knew
Will love be true? Can it pull you through?
How long? How strong?
Some things depend on you
See-- I always figured I was gonna to meet somebody here
and I don't know why
Why should love suddenly come down and just sweep me away
I want to fly
But there are so many things in my way

Anyway... I guess you wouldn't know unless I told you I.. I love you And just look at yourself--I mean what else would I do?

Hold on--
