

Jackson United, Here Comes Hollow

Hard enough sometimes
Missing the last step
Bad to good reminds us
Of when we first met
In the hallway
On the rooftop
Sunset city lines
Lost and walking
Chain smoking
Speeding thru the night
Here comes - hollow
Hollow fills you up inside
Broken - borrowed
Follow insults all implied

Try to bite my tongue
Until it's bleeding
Bond has come undone
See that you're leaving
Accusations
Explanations
Phone calls unreturned
Implication
Vindication
Hundred lessons learned

Cut to the bone
scar - under - gone
Cut to the bone
Scar overgrown
