

Jackson United, Loose Ends

You don't know who you are
I don't know where I've been
I went thru hell
To get this heaven

We were up on a roll
It's a long way down again
Thru thick and thin
Begin again

Slowly into sway
On a sweet decay

Neon light mirror
An unsteady hand
Unsteady error
Knocked back again

Cover me my friends
Thru my loose ends
Cover me my friends
I live this over and over again
