

Jackson Wang, Cheetah

She's a cheetah
Grown man-eater
Sink her teeth in
'Til you think you need her

She's a keeper
'Till she leaves ya
She'll break your heart in
someone else's T shirt

Cheetah
Cheetah

I thought that she was my girl
But I guess she's for the streets
Or for the jungle
I thought I knew it but it turns out
She had a whole 'nother thing going on

Ay
She's lying, she snakey
She'll chew you to the bone
Looking back, I guess I shoulda known

She's a cheetah
Grown man-eater
Sink her teeth in
'Til you think you need her

She's a keeper
'Till she leaves ya
She'll break your heart in
someone else's T shirt

Walked in on her the other day
I heard she was with somebody
I saw the bites all on her neck
She's an animal
She's a real bad chick
She started begging me to stay
I told her that it's over babe
I knew I had to get away

Ay
She's lying, she snakey
She'll chew you to the bone
Looking back, I guess I shoulda known

She's a cheetah
Grown man-eater
Sink her teeth in
'Til you think you need her

She's a keeper
'Till she leaves ya
She'll break your heart in
someone else's T shirt
