

Jackson Wang, TITANIC (feat. Rich Brian)

I got your girl on panic
iced out my wrist Titanic
Like 2-1, I am on my savage
no airport but I claim my baggahge
I am on the run /2x
your gir; gon choose, I am on ythe up
the bou and the man ya I am all in one
but I used to be the one that caught the bus
on that red line 1
fdon't need transit
only crew no friends whne you ee me that's it
thet ain't even like me last year
now they know my face
china on the pace
we be in the place
damn, like the K-Dot CD
they watch me like I ma on TV
Brough this shit back but I ain't got receipts
sookin' up
Boby Flay when I am on this beat

they go tme in a bad place
might crash the whip in the valet
all about my cheese
it's a rat race
if you ain't in first you in last place!
