

# Jackson Waters, Come Undone

[1.]

There are ways that Ive been falling  
There are times that Ive been  
So weak  
There are moment I hear redemption calling  
But Im too far down to speak

[Ref.]

Come sweet fire of mercy  
Cover up my skin  
Warm me like the sun  
Wont you let me in  
To come  
Come undone  
To come  
Come undone

[2.]

There are scars that Ive been hiding  
There are ghost that I do not claim  
There are closets I do not care to open  
But they open all the same

[Ref.]

Come sweet fire of mercy  
Cover up my skin  
Warm me like the sun  
Wont you let me in  
To come  
Come undone  
To come  
Come undone  
To come  
Come undone  
To come  
Come undone
