

Jacksons, Push Me Away

Live and sigh, crying eyes
Your touch, your heart, your warmth, lullaby
Live to dream, don't it seem
The tears, the pain, the hurt, reality
Don't you know these dreams, I wish could be
The real you and me
I come running back to you
You push me away, you push
You push me away
Darken days, please go away
The nights are bright, delight dream, and stay
As I dream loving you
Your touch, your heart, your warmth, please come true
Don't you know these dreams, I wish could be
The real you and me
I come running back to you
You push me away, you push
You push me away
Don't you know these dreams, I wish could be
The real you and me
I come running back to you
You push me away, you push
You push me away
