

# Jacksons, Shake Your Body (Down To The Ground)

I don't know what's gonna happen to you, baby  
But I do know that I love you  
You walk around this town  
With your head all up in the sky  
And I do know that I want you

Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground

You tease me with your loving to play hard to get  
Cause you do know that I want you  
You walk around this town  
With your head all up in the sky  
And you do know that I want you

Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground

Shake it all down

You're the spark that lit the fire inside of me  
And you do know that I love it  
I need to do just something to get closer to your soul  
And you do know that I want you

Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground  
Let's dance, let's shout  
Shake your body down to the ground
