

Jackyl, Redneck Punk (live)

I jumped straight off that trail today
Ain't nobody better get in my way no
Trail dust, sore butt, gotta get out of this 10 day rut

CHORUS

Whoa, gitty up and go
I'm a redneck punk
Mean, red, better off dead
I'm a redneck punk

Staring down the barrle of an old shotgun
I can tell tonight's gonna be some fun
Don't you step on my toes
And you wan't find yourself with a bloody nose

CHORUS

Hey you, long haired motherfuck
Show me how you do

I live like a gypsy, I live like a dog
Gotta hard enough time just doing without
And nobody ever better run their fucking mouth

CHORUS
