

Jacob Collier, Little Blue (feat. Brandi Carlile)

Little blue, be my shelter
Be my cradle, be my womb
Be my boat, be my river
Be the stillness of the moon

If I could, I'd go with you
To a place I never knew
In your eyes, so dark and open
There's a light that leads me back to you

Cuz you're not so far away
I hear you say:
You'll never walk alone

Singing
Don't be afraid of the dark
In your heart
You're gonna find a way
To carry the weight of the world
On your shoulders
You're gonna find a way home

Little blue, be my anchor
Be my light, my compass star
Be my darkness, be my danger
Be the strings of my guitar

Little blue, how I love you
Something strong and something true
In your arms, so dear and gentle
There's a hope that leads me back to you

Cuz you're not so far away
I hear you say
You'll never walk alone

Singing
Don't be afraid of the dark
In your heart
You're gonna find a way
To carry the weight of the world
On your shoulders
You're gonna find your way home

Don't be afraid of the light
It's alright
You're gonna find a way
To carry the weight of the world
On your shoulders
You're gonna find your way home

(Find your way home)
(Find your way home)
(On your shoulders)
