

Jacob Hoggard, Everything

You steal my heart
And you take my breath away
Won't you take me in?
Won't you take me deeper now
How can I stand here with you and not be moved by you?
Won't you tell me how could it be any better than this?
Cause you're all I want
You're all I need
You're everything, you're everything
You're all I want
You're all I need
You're everything
You're everything
How can I stand here with you and not be moved by you?
