

# Jacob Young, Opposite Of Everything

I don't wanna be the one  
Standing, waiting all the time  
For the moment in my life  
Better lost and never found  
I'm not searching for the key  
There's no happy go lucky in me  
There's no writing on the wall  
All the stories are so tall  
But so small inside my head

BRIDGE:

I don't wanna be the one  
Standing, waiting all the time  
I just wanna be the opposite of everything

CHORUS:

Can it be so wrong  
The opposite of everything  
And I need to go on  
And I'm not goin' away

I'm not lookin' for a light  
Not be standin' in the dark  
Is where I want to be

I don't need to prove you wrong  
Open eyes to feel the tears  
Shadow's sleep with my broken dreams

Oh, in answer to it all  
Questions why I don't belong  
And why it don't matter to me

I'm not lookin' for a light  
Not be standin' in the dark  
Makes me wanna be the opposite of everything

CHORUS REPEAT

Do you think that I pretend  
I could be someone else  
And you, you'll never understand  
I am just who I am

Change change change (3x)

Don't change

Change change change (2x)

Don't chance  
REPEAT BRIDGE
