

# Jadakiss, What You So Mad At?

Ah-ha!

(Wow) What you so mad at now?

Go get yourself a drink lets all get down

Roll somethin, smoke somethin lets blow this pound

Know if somethin jump off we gon' hold us down

Uh me n honey on the dance floor just flexin

Till the neck on my white T start stretchin

Liquor comin outta our paws and we sweatin

But that aint slowin us down, we still steppin

Her gear is strong, her hair is long, her feet is small

And she smoke weed and all, so we gonna pop us a bottle

And blow us a good splif, VIP is crowded but they all look stiff

I'm well connected, I got wolves over there, and N\*\*\*\*z that

Act like pitbulls over here, yeah I'm just doin my 1 2 and shit

She's shakin it, doin that Saint Louis shit with her back in it

So I put my bones in it, the rollz go prezzy, got the pink stones in it

Why you want drama with me, I aint gon blast you

Before I put the money on ya head I'ma ask you N\*\*\*\*

(Wow) What you so mad at now?

Go on get yourself a drink lets all get down

Roll somethin, smoke somethin lets blow this pound

Know if somethin jump off we gon' hold us down

Yo yo yo, I'm everything controversial, underground gangsta rap

Slash commercial yeah but still all it takes is a long dutch

For me to get your wifey up out of a Von Dutch

As far as the funeral, you got it, its on us, Them N\*\*\*\*z aint crazy

They just on dust, uh so let me get another round

Now Hypno and Clico will sit a brother down

Haze'll have you feelin like you in another town

Then its time for the gangstas so get the rubbers now

K I two of them swirled things, one more drink and ya boy

Might be doin the earl thing, ma its me, you and whoever ya girl bring

Meet me in the back, I'm outside the pearl thing

I got the trey pound hooked on my waist

When they mention my name around other rappers, look in they face and say

(Wow) What you so mad at now?

Go on get yourself a drink lets all get down

Roll somethin, smoke somethin lets blow this pound

Know if somethin jump off we gon' hold us down

Can't knock a \*\*\*\*\* that didnt make it, if you try

Far as me though, my spot is solidified so when I hit my number

I'ma hit it high and when I'm dead and gone, they gonna say I did it live

Cuz I done been too nice for way too long, they cant hold me back I'm way to strong

Double R D-Block that's what it is and that's what its gonna be

We gettin it on I just wanna know

What you so mad at now

Let's all get down

Let's blow this pound

We gon' hold it down
