

Jade Anderson, Sam Nixon

A seen that boy and he caught my eye
Took all my strength for me not to cry
Everytime I see him on TV, wish that he could be there for me
Its just a crush, thats all it is
But if I had, one last wish
I would wish for him to B in my arms,

Sam Nixon, he is fine
Wot I would do to make him mine

Sam nixon he is fine
Sam Nixon he's all mine

God made coke
God made Pepsi
Got made Sam
Way TOO SEXY!
