

Jade, IT girl

Throw me them roses
Well, that's just showbiz, baby
Won't sugarcoat it
You make me feel si-si-si-sick

I am the IT girl (I am the IT girl)
I am the shit, girl (I am the shit, girl)
I got the whole world (I got the whole world)
Between my hips, girl

Sign on the line for me
Baby, smile, but don't show your teeth
Say "Goodbye" to autonomy
Now your body belongs to me

Put me on the pedestal, watch me dance
Dance to the beat till I can't stand
Stand up face-first to the man, man (Na-na-na-na-na)
Kitty got fangs, the kitty got claws
Clause in the contract, contract gone
Gone is the girl that you could con, con (Na-na-na-na-na)

Throw me them roses
Well, that's just showbiz, baby
Won't sugarcoat it
You make me feel si-si-si-sick

I'm not your thing
I'm not your baby doll
No puppet on a string
This bitch can't be controlled
I'm not your—, I'm not your—, I'm not your thing
Can't buy me at the store
Cut off your power trip
Remove your filthy paws, your filthy paws

You're filthy
You're filthy
You're filthy

I am the IT girl (I am the IT girl)
I am the shit, girl (I am the shit, girl)
I got the whole world (I got the whole world)
Between my hips, girl (Ah)

My darling (Ah), you could never (Ah, never)
You'll never own me (You'll never own me)
Na-na-na-na-na

Throw me them roses (Roses)
Well, that's just showbiz, baby (Baby)
Won't sugarcoat it
You make me feel si-si-si-sick

I'm not your thing
I'm not your baby doll
No puppet on a string
This bitch can't be controlled
I'm not your—, I'm not your—, I'm not your thing
Can't buy me at the store
Cut off your power trip
Remove your filthy paws, your filthy paws

You're filthy (Na, na, na, na, na, na, na, na)

You're filthy (Na, na, na, na, na, na, na)
You're filthy (Na, na, na, na, na, na, na)
You're filthy (Na, na, na, na, na, na, na)

It's a no from me
